Process in determining compensation

In setting salary and wage scales, including executive compensation, MCC uses relevant non-profit compensation survey data. The Board of Directors has established a policy on the CEO compensation. The CEO is evaluated for accomplishments in three areas of performance, organizational impacts and outcomes, leadership goals established by the Executive Board and on-going position responsibilities. The MCC Executive Committee, led by the Board President, is responsible for carrying out the CEO evaluation and determining compensation within budget constraints.
